Dear Jim,

Sue and I wanted to let you know what an incredible and outstanding job you and your crew did for our daughter Jessica and son-in-law C.K's wedding this past May 29, 2011 at the Evans Home in Manteo. It was a true Cinderella wedding on the Outerbanks.

## Planning and Counsel

The planning and counsel provided for the recommended food for the wedding was excellent. Combining both traditional Southern Cuisine and Mexican fare was a big hit with our family and guests. Shrimp cocktail shooters, caprese kabobs, steak kabobs, fresh fruit kabobs, fried green tomatoes were fabulous way to kick off the evening. After the cocktail hour the twice baked potatoes, baby red bliss potatoes, marinated shrimp, chicken, steak and vegetable fajita bar were over the top. Not to mention the wonderful rice, beans and tostadas.

## Staff

Chef Louis Caldera was fabulous. His food was delicious, hot and on time. Guests could not get enough. Jen Crossman did a super job of coordinating all the endless details that made for a wonderful event. Could not have done it without her. Also special thanks to Maria Avelar for all her hard to work to make sure the food was always there and plentiful. Maria was excellent as always. Your staff looked great and was very professional.

## Drinks

The bartenders did a super job. The suggestion of the two signature drinks was superb. Guests loved it. It was a very classy touch to the bar menu. Plenty of ice. We loved it.

## Summary

Serving 150 hungry and thirsty guests in a 40 x 80 tent was no small feat. Your staff did it well and we could not have been more pleased.

Please accept our heartfelt thanks for a job well done.

Sincerely,

Don & Sue Vaquera
